RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS

Alexandria, VA 22313-1450

Commissioner:

In a Notice to File Corrected Application Papers, mailed under date of 05/20/2004, a copy of which is enclosed, Applicant was requested to file replacement drawings on the ground that the initially submitted informal drawings were not electronically reproducible.

In response to said Notice to File Corrected Application Papers, Applicant is herewith submitting two sets of formal drawings.

The enclosed formal drawings do not make any substantive amendment of any kind to the informal drawings initially submitted, and only correct informalities. Applicant believes that said formal drawings therefore do not constitute amendments to the initially filed drawings, and thus do not require, for example, the addition of a "replacement sheet" legend to each sheet of drawings. Please notify the undersigned in the event that this is incorrect.

Respectfully submitted,

Dated: July 16, 2004
